DAY IN -- DAY OUT

September	5	Three guesses on this one, and the first two don't count.
September	10	Students still recovering from jolt of starting back to school.
September	17	Irene Knoebel fell up the steps with the G. A. A. candy.
October	3	Skeleton found haunting the bookkeeping room. When asked for an interview, he said, "I've come to haunt these slave-driving teachers".
October	10	Winter styles predicted. Can't remember what they were. Your guess is as good as ours.
October	13	Junior Jinx Jig on Friday 13.
October	17	Cafeteria Poll taken. Everybody liked beans.
October	21	Miss Price, Miss Kirkpatrick, and Mr. Benedict made a sensational appearance in the parade for the dedication of the new bridge.
October	26-27	Teachers' Institute brings a welcomed relaxation after a heavy toil in our field of labor.
November	1	4-H Club organized in L. C. H. S. under supervision of Mrs. Zoller.
November	3	Seniors won basketball ticket sale contest. Prize—entertainment by underclassmen.
November	6	Stamp Club organized.
November	7	It was announced that six-man football would be inaugurated next season.
November	9	Band concert with Reverend Martin as guest soloist.
November	13	L. C. H. S. got First Class Commission, and students got longer hours. No! That can't be right? Yes, 'tis.
November	22	A Tiger was born. (Commercial newspaper).
November	22	Sophomore class sponsored Turkey Trot in gym.
November	23	L. C. H. S. students feasted on turkey with all the trimmings.
November	29	Tigers clawed Red Devils to pieces. Score 43-29.
December	7	G. A. A. skating party.
December	13	The L. C. H. S. Romans of the Latin Club sighted competition dawning on the horizon when a group of Frenchmen organized L'Alliance Francaise.
December	19	Seniors issued warning to underclassmen to come across with that basketball ticket sale entertainment . . . or else.
December	20	Mr. Crater entertained faculty and board with a feast in the cafeteria.
December	22	Seniors presented "Why the Chimes Rang".
January	1	1940 chased 1939 out.
January	1	Miss Elliott, Latin teacher, resigned due to ill health. Miss Covert took over her duties.
January	1	Two strange weather-beaten teachers visited school. Oh—our mistake—it was only Miss Lees and Miss Ragsdale back from vacation in Florida. Pardon us.
January	4	Music department presented the operetta, "The Belle of Barcelona".
January	8	Rats evacuated L. C. H. S. Cause: Our photographer brought a batch of senior pictures to school.
January	10	Caroline Darling made the headlines as winner of Good Citizenship Contest from L. C. H. S.
January	15	The Flu Bug tackled its first victim in L. C. H. S., Miss Smith.
January	16	Great discovery made. Mr. Benedict is a red hot saxophonist.

WEEK

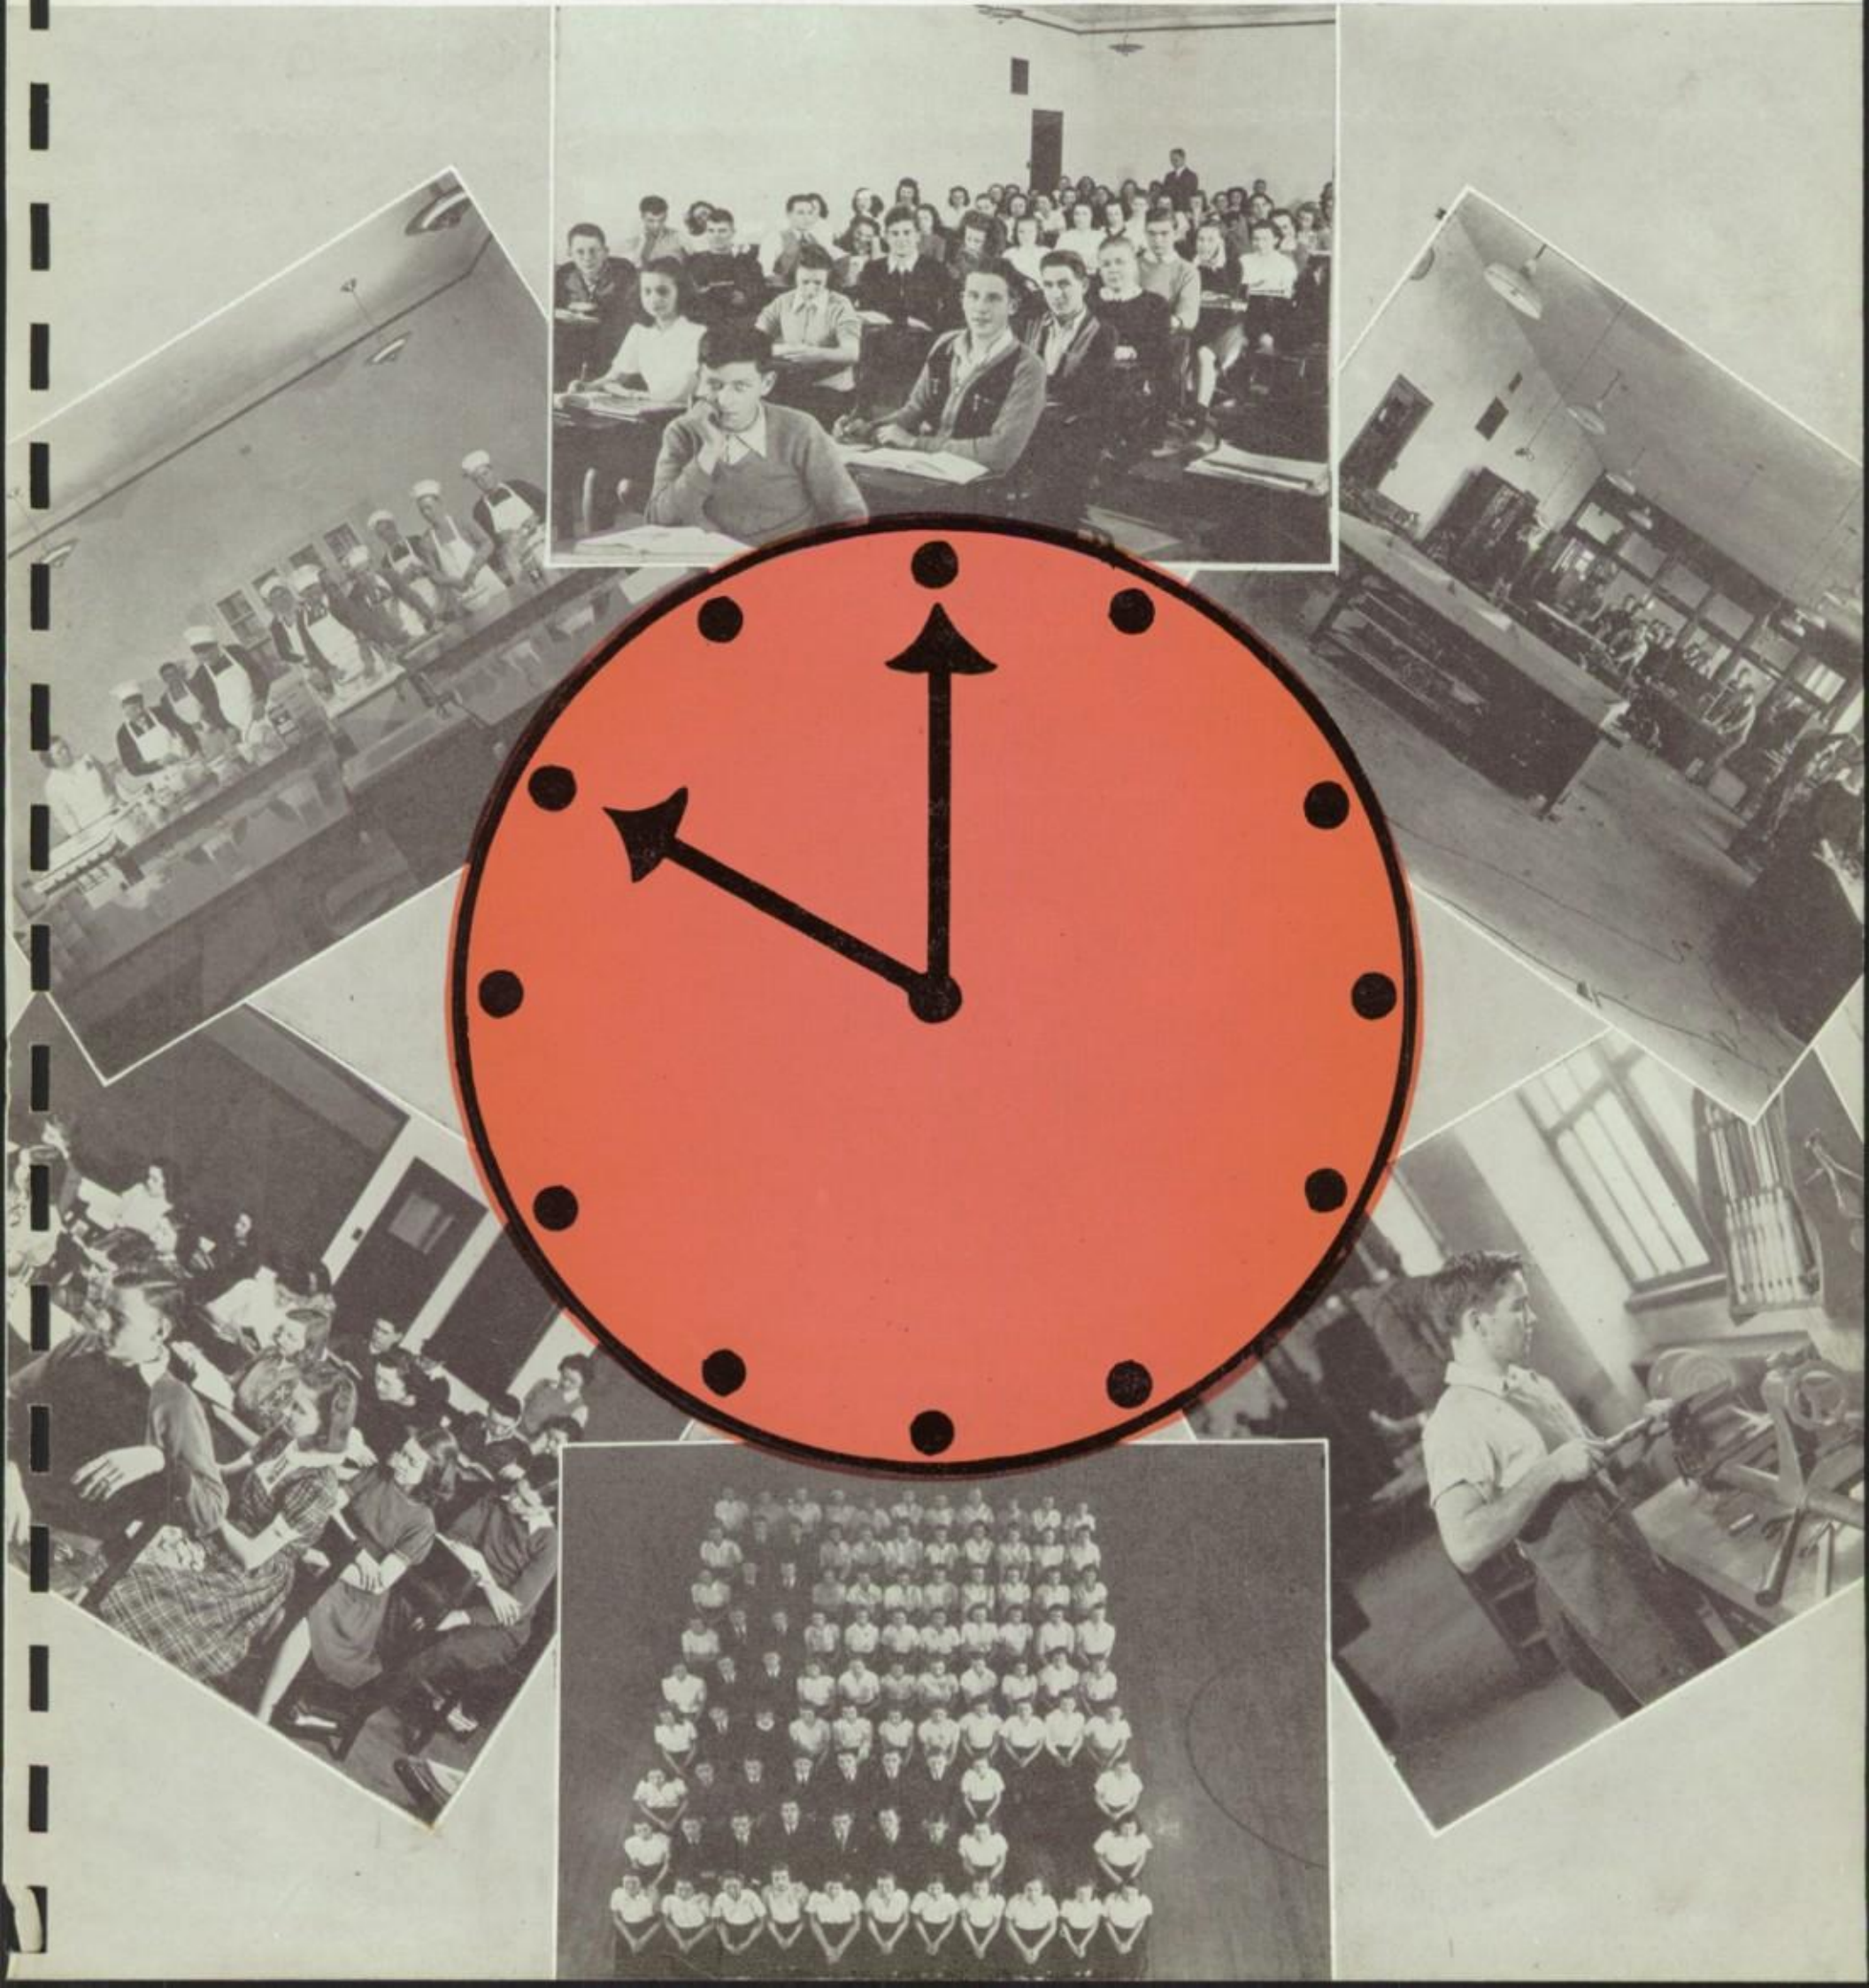

BY

WEEK

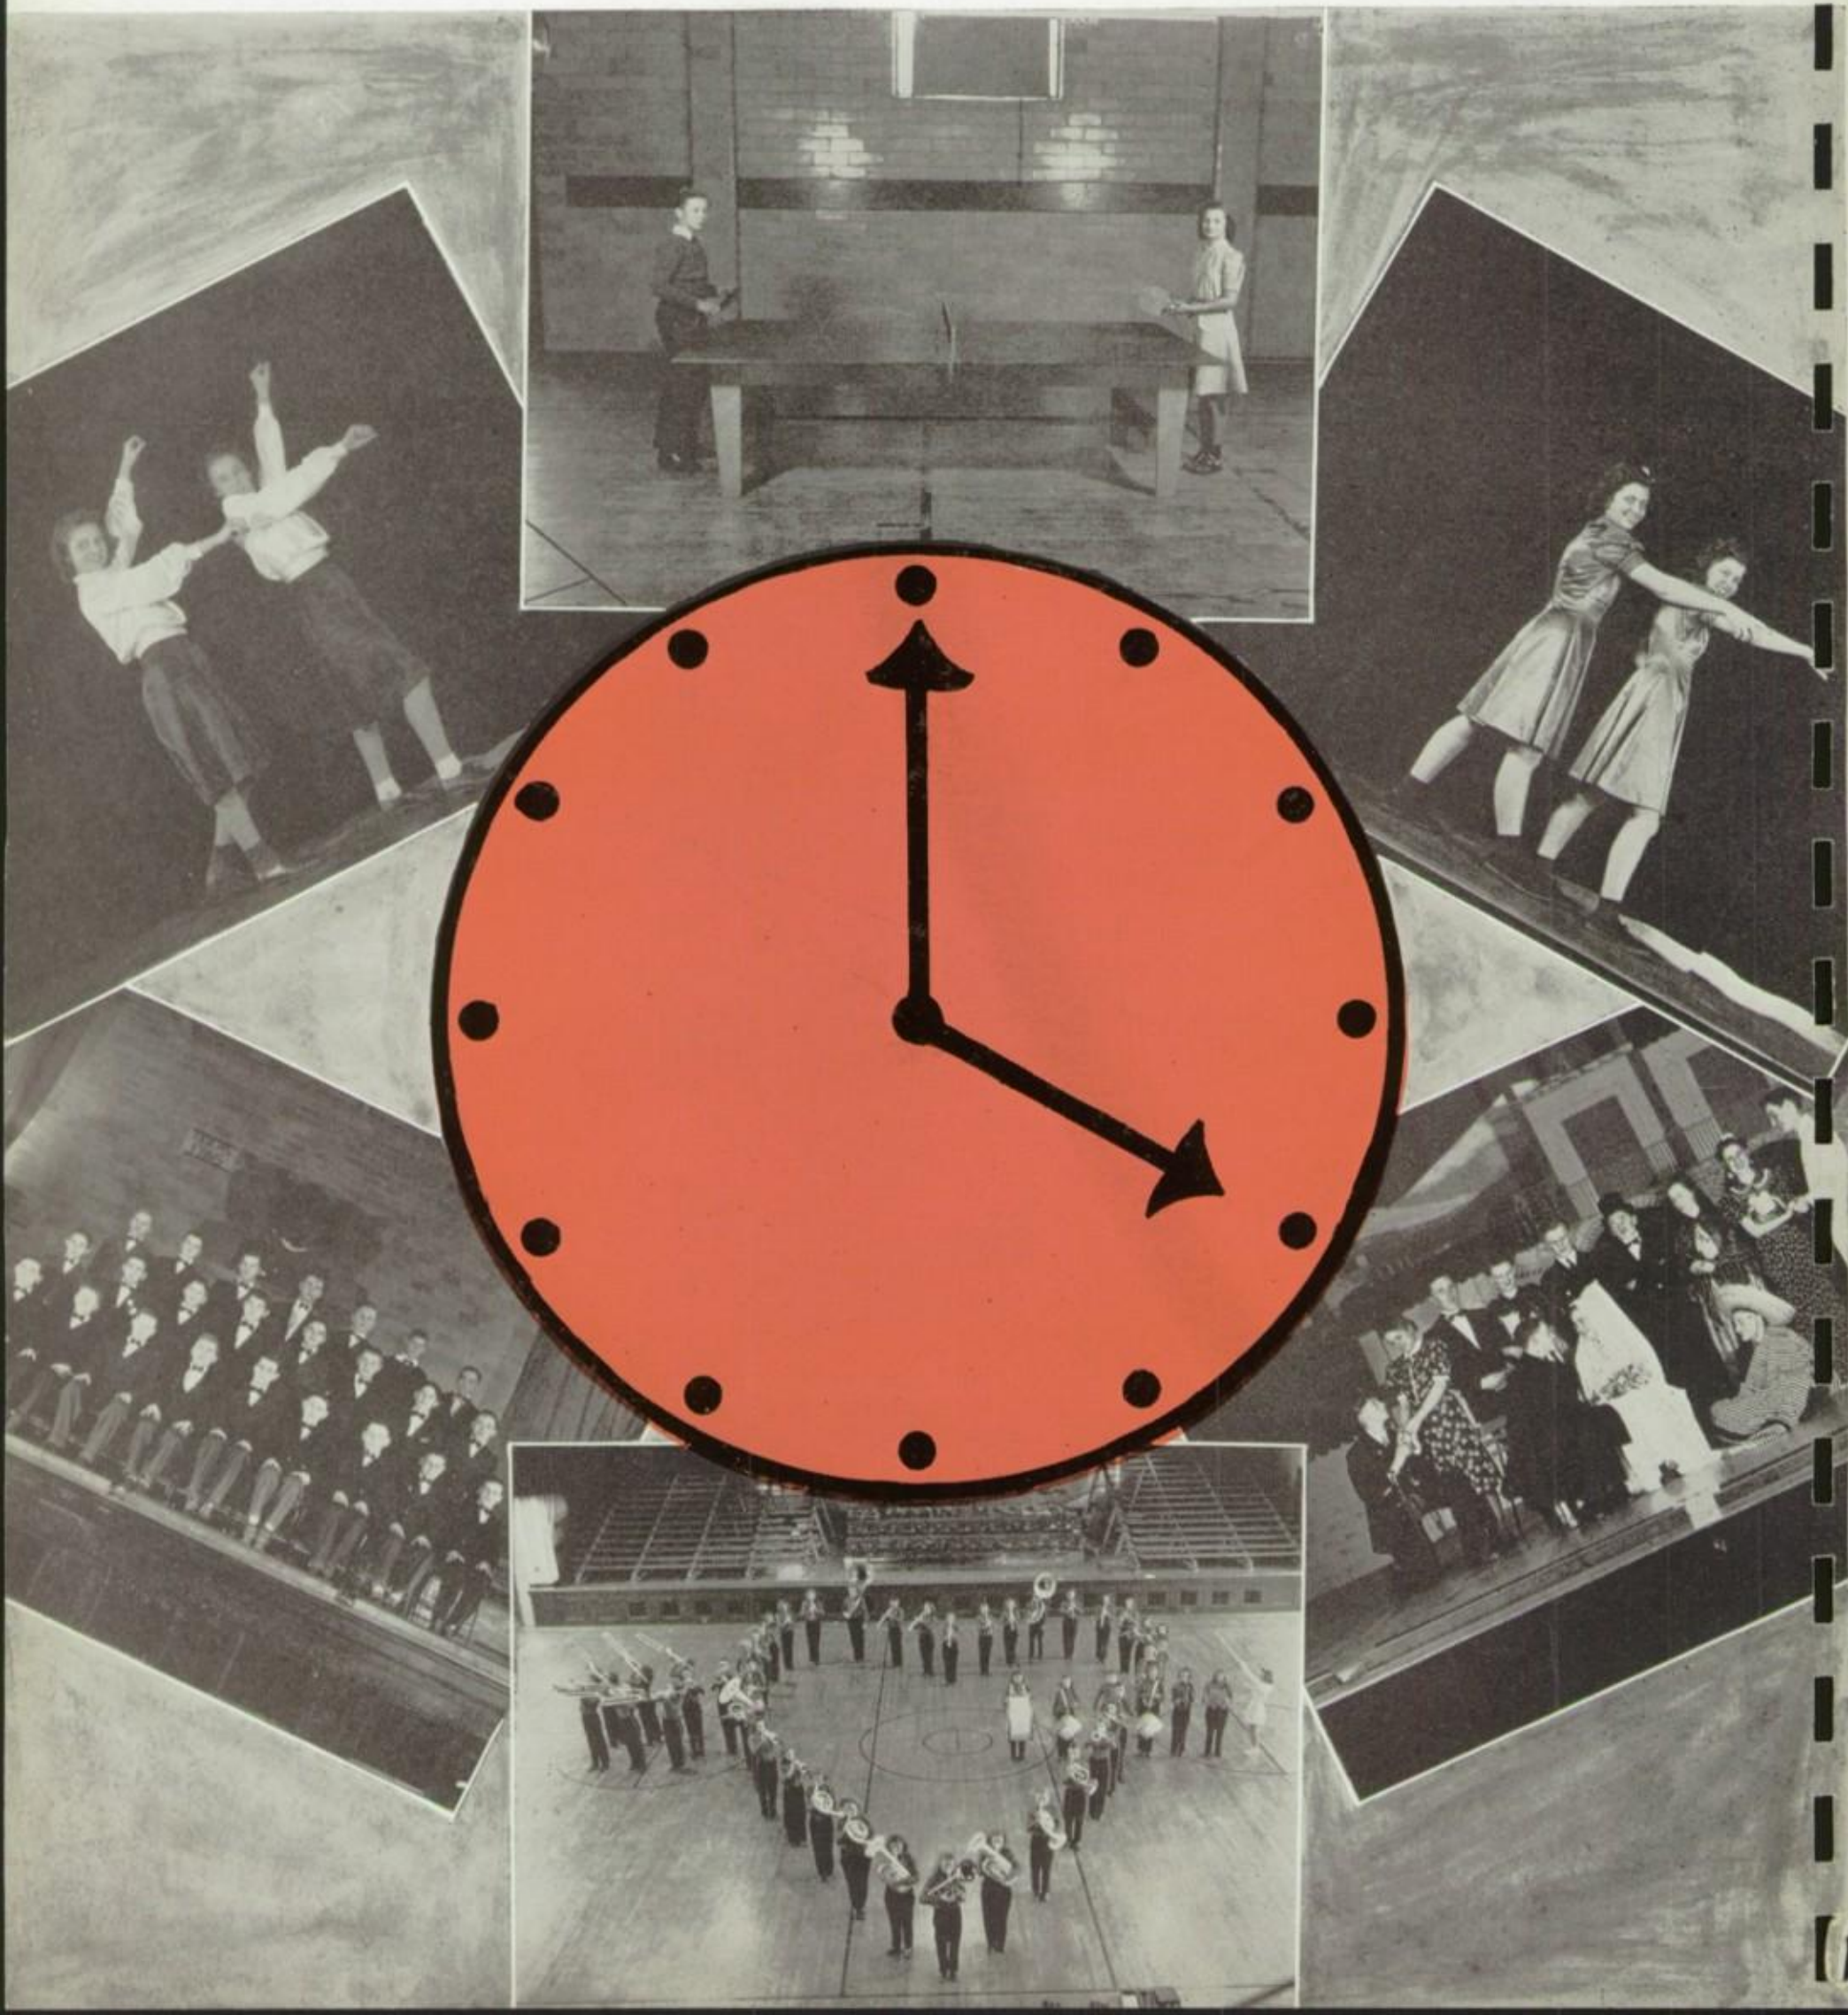

- | | | |
|----------|-------|---|
| January | 20 | Juniors sponsored Winter Carnival. (Dance to you). |
| January | 26 | For the second time this season the Tigers froze the Red Devils. Score 40-28. |
| January | 30 | Mr. Crater advised the Economics class, "Don't open your mouth and stick your foot in it". |
| January | 30 | March of Dimes dance with the music of the Nine Tiger Lilies (eight girls and Mr. Ratliff). |
| January | 30 | Phi Bi Chemi organized with Mr. Harrison as sponsor. |
| February | 1 | Students of Advance Stenography class began embarkation into business world. They became part-time stenographers in local business offices. |
| February | 7 | Ah-h-h-h-h. Those villainous underclassmen finally came across with that entertainment. In another week the suspense would have killed the seniors. Tee hee. They did not accomplish their purpose after all. |
| February | 10 | L. C. H. S. band had a party. |
| February | 13 | L. Hi News reported in big headlines. (quote) ANNUAL ON WAY TO BEING HUGE SUCCESS. (unquote). It wasn't propaganda. |
| February | 14 | Seniors chose their "Please come or send" announcements. |
| February | 14 | Ugly valentines were found reposing in unsuspecting lockers. |
| February | 16 | The Tigers beat the Tigers. Don't ask which Tigers beat what Tigers. In other words, we lost. |
| February | 21-22 | North Central Association committee visited L. C. H. S. |
| February | 22 | Mr. Ratliff and the Choir presented another of those operatic renditions. "Chuckie" sang the loudest. |
| February | 23 | Madison had a super-excellent basketball team this year. They beat us again. |
| February | 27 | In Cincinnati traffic was jammed, ten cent stores were in an uproar, pedestrians were hysterical, Shillito's was in a riot. Cause: Advanced Home Economics class was in Cincinnati to tour Shillito's Department Store. |
| February | 29 | Sectional held in L. C. H. S. The Tigers beat Rising Sun. |
| March | 1 | Sectional still in L. C. H. S. "Red" Benedict sent the Tigers to the "Village Barn Dance" and then home to bed. Imagine that! |
| March | 2 | Rain—Much rain!! Sectional still in L. C. H. S. Patriot beat the Red Devils. BUT—TIGERS "COPPED" TOP HONORS with a score of 48-17. |
| March | 5 | Famous Stephen Foster quartet sang at assembly. |
| March | 8 | Regional and Sectional celebration. A bonfire and a parade were the feature attractions. |
| March | 9 | The Tigers downed the Connersville Spartans to lose to the Rushville Lions in the Regional tourney. This marked the first game ever won in a Regional by a Lawrenceburg team. |
| March | 12 | Miss O'Shaughnessy and the other Frenchmen of L'Alliance Francaise had a social gathering. For dessert they had hamburgers. Sounds like they trespassed over into German territory. |

SUPERINTENDENT

A.B. Franklin College

M.S. Indiana University

An untiring and enthusiastic administrator, Mr. Harold C. Crater, came to Lawrenceburg from Speedway, Indiana. Since coming here he has accomplished much in the way of progressive education. During his initial year L. C. H. S. was granted a first class commission and admission in the North Central Association. He has proved himself to be a capable leader and has gained the respect of all.

Harold C. Crater

PRINCIPAL

A.B. Hanover College

M.S. Indiana University

Although holding a dual position, that of coach and principal, Mr. Harold Benedict has achieved much in the educational world. During his three years here he has twice presented winning basketball teams, showing his superiority in the sports world.

Friend of faculty and students and upholder of good sportsmanship, he has maintained the confidence of all who know him.

Now that our career as high school students is over, we can sit back and think of the many joys, embarrassments, and unpleasant happenings that occurred during these four years.

As freshmen, we set out to bring fame and honor to Lawrenceburg High. We were 102 in number and had definitely decided that we would leave a superb record on the annals of the school.

Tragedy and Catastrophe stalked us that year, for we were no sooner becoming accustomed to high school routine than we were stricken with sorrow by the untimely death of our beloved music teacher, Miss Margaret Wells.

After recovering from this blow, we were forced to take a mid-semester vacation because the "Beautiful Ohio" which, having remained peacefully within her banks for a number of years, decided to wash our little town off the map. It didn't succeed, so in March, after a rather damp recess we returned to school.

A few members of our class elected to transfer to another school for the remainder of their first school year, but the greater part returned and toward the end of June we were able to close the records of our freshman year.

During our sophomore year we moved into our new school building, L. C. H. S., which boasts of being one of the most up-to-date institutions of learning in the state. The long corridors and spacious rooms were quite a contrast to the crowded conditions of the "old building".

Too, a school band was organized.

The Tigers won the sectional tournament that year, and they went to the regional in a blaze of glory, but returned the victim of a better team.

Soon our junior year was started, and it was at this time that the ingenuity and originality of us juniors was put to the test for it was our express task to honor the graduating class at the annual junior prom. Bake sales were sponsored, dances were given, and candy was sold at the games. In addition to these activities, pencils with basketball schedules inscribed on them were sold; and during the pre-holiday season the "jolly juniors" could be seen rushing from door to door selling Christmas wreaths—all for the purpose of giving one gala event—the prom.

SENIORS

As our junior year drew to a close, we gave serious thought to the positions which we must soon occupy. We were somewhat wary of the responsibilities that accompany the noble position of being seniors, but we were bound and determined to do our best.

During our three months vacation our resolutions were forgotten to a certain extent, but September brought them all back to us with greater clarity and we set to work with a will.

SENIORS

The Senior class of '40 was well wrapped up in its dignified duties when that super-colossal job, the annual, stared us in the face. Well, we published it—the best annual, yet—we think. As you can see, our gloom was finally dispelled and as a result of our handiwork this panorama of high school life was finally completed.

It is with determination to go forth "under our own steam" combined with the regret that we must relinquish our position to our successors that we come to the end of our four years in this institution. May everyone of our successors find the happiness and joys that we have that they, too, may go forth with precious memories.

JUNIOR CLASS DIARY

SEPTEMBER 5, TUESDAY

Dear Diary:

It was a pleasant, warm, sunny day as we Juniors began our eventful year in the Lawrenceburg Consolidated High School, today. The halls were lined with many chattering students happily reminiscing on the cheerful and enjoyable times they had had during their summer vacation. Our class, however, had more important affairs to discuss. If we are to entertain the Seniors at the end of the school year, much hard work and a great deal of planning will be necessary.

SEPTEMBER 15, FRIDAY

Dear Diary:

Our class is organized! This morning we met in the school library to elect officers. After the candidates had been chosen, the ballots were passed out and each member of the class voted for his worthy candidate. The result of this important voting was the election of Earl Kittle as President, Bill Cook as Vice President, Evelyn Goyert as Secretary, and Nathalie Warneford as Treasurer. Jerry Seitz and Noah Albright were elected to represent us on the Intra-Mural Board. We Juniors are now ready to start our great campaign.

OCTOBER 13, FRIDAY

Dear Diary:

We have finally launched our big program. Tonight, we sponsored a "Junior Jinx Jig" in the high school gym. It was the first dance of the school year. The clever decorations consisted of all sorts of superstitious sayings and signs to suit the day of Friday 13. Umbrellas of various colors were used as the main decorative theme, while a step-ladder placed before the entrance made it necessary for all who wished to enter to walk beneath. None of these ill-omens, however, seemed to harmfully affect the dance because it proved to be a great success. The Juniors have taken their first step toward their goal.

NOVEMBER 2, WEDNESDAY

Dear Diary:

With the opening of the basketball season very near, a class meeting was called to make preparations for the selling of candy and cokes at the home games. It was also decided to operate a check-room as an extra means of raising money. Committees were appointed for each game and then the meeting was adjourned.

NOVEMBER 3, THURSDAY

Dear Diary:

On October 3, when the first edition of the L. Hi News was published, Miss Smith's home room was declared the winner of the "Junior Home Room Contest". This contest was sponsored to boost the sale of subscriptions for the school paper. The reward was to be a weiner roast for the winning room paid for by the two losing rooms. Because of cold weather we had the party in the cafeteria. Besides being given a delicious lunch, the guest home room was seated in a position of honor and excellently entertained. Several interesting games were played while a radio proved quite convenient for those who enjoy dancing.

NOVEMBER 15, WEDNESDAY

Dear Diary:

Again the Juniors are busy! Today, "basketball schedule pencils" went on sale. Each Junior was issued a certain number of pencils to sell and, at once, they were canvassing the school and the town for customers.

JUNIOR CLASS DIARY (Continued)

DECEMBER 1, FRIDAY

Dear Diary:

Although we are still engaged in the task of selling pencils, preparations are rapidly being made for the big sale of Christmas wreaths. So that this sale may be the success we wish it to be, the entire class must work cooperatively in advancing the sale of the wreaths. We will succeed!

DECEMBER 16, SATURDAY

Dear Diary:

A bake sale, a usual annual event for Juniors, was held in one of the down-town stores, today. This was just another of our undertakings to make money. All the Juniors proved their loyalty to the class by cheerfully donating their contribution to the sale and thus making it a huge success. With such undying spirit, we cannot fail!

DECEMBER 19, TUESDAY

Dear Diary:

We delivered five hundred Christmas wreaths, today! Certainly helped our finances too.

JANUARY 20, SATURDAY

Dear Diary:

What could be more fitting at this time of year than a Winter Carnival? With Old Man Winter very much in the air and the cold winter winds blowing fiercely, the Juniors, tonight, held a Winter Carnival in the gym. Large cardboard snowballs were placed along the stage, and sketches of various sizes showing winter sports and other midseason ideas were used to decorate the gym. Buck Buchanan's orchestra played excellently for the large crowd that attended. A couple of members of our class volunteered to sing and everyone seemed to enjoy it thoroughly.

FEBRUARY 1, THURSDAY

Dear Diary:

No more pleasing news could have been given the Lawrenceburg Consolidated High School than that our school has been chosen as the place for the sectional tourney in this district. This was especially good news to the Juniors. Much money can be made during this time, we hope. We have decided to sell cokes, potato chips, ice cream, hot dogs, and various school pennants at the games. A check-room will also be conducted. This will be the last undertaking of the Juniors to raise money since sufficient funds will then be on hand to pay the expenses of the prom.

APRIL 4, THURSDAY

Dear Diary:

Since the Juniors have completed their long drive for money and have so well accomplished their task, a Junior party was held, tonight. It was a very happy occasion for the whole class and dancing to Buck Buchanan's orchestra was greatly enjoyed by the Juniors and their guests.

MAY 25, SATURDAY

Dear Diary:

The long sought goal was reached, tonight. Within the walls of our beautifully and attractively decorated gym, the Juniors elegantly displayed their fine ability to entertain. Nothing was spared to add to the splendor of the unforgettable occasion. Such a prom! The music was smooth, the food just right, and decorations . . . even if we did do it, we must say they looked lovely.

At the close of this pleasant, eventful evening, and with the approach of the last day of school, the Juniors may well say that they have worthily and happily lived up to their class and their motto, "Never say die, say do".

ANNUAL

Just as a potter shapes his clay, and just as a sculptor chisels hard marble into something beautiful and graceful, so the class of '40 set to work to make its last contribution to high school life a success. It was with enthusiasm and a sense of responsibility that the staff began work on a year book that would leave in the minds of the readers no doubt as to the extent of their resourcefulness and initiative.

Having been carefully chosen these people started in earnestly. Consultations with engravers, printers, and sponsors followed. Each department went about its respective duties a little bewildered at such an undertaking but ready and willing to learn. The photographic sections were assembled, articles were written, and advertisements were solicited. If the work did not run smoothly, the staff labored to accomplish the seemingly unsurmountable obstacles. Each person gave his utmost into the making of this annual, and to each it was worth every effort put forth.

Now that, with the aid of the faculty advisors, Miss O'Shaughnessy and Miss Ragsdale, this treatise on our four years has been completed, we give it to you in its entirety. Although it is small, the book represents hours of hard work and careful planning. Our only hope is that you will receive from it a bit of the joy and pleasure that went into its making.

L. HI NEWS

The L. Hi News, bi-weekly publication of L. C. H. S. and official news organ of the school, has just written "finis" to another successful year of news-broadcasting.

The group that set about editing the paper at the beginning of the school year, were in themselves, a little dubious of their ability to undertake such responsibility. But since it was "do or die", discharging their duties with an air of confidence which they were far from feeling, they purposefully set about their work.

It was with some anxiety that they patiently awaited the first issue of the paper—proof that they were suited to the job. The day for distribution came and with it came a sigh of relief that resounded through the entire building. The fruits of their labor was a success!!!

After that it was an easy matter to write, proofread, and assemble material for each issue. Altogether fifteen issues were published, and through the combined efforts of Miss Ragsdale, faculty advisor, and the journalism class, each paper showed a vast improvement over the preceding one. Therefore, a certain degree of perfection was attained and it was with regret that the finishing touches were put to the last issue. Although the time has gone, never to come again, the staff can look back on a year of achievement of which they can be justly proud.

CHOIR

The Lawrenceburg Consolidated High School Choir is one year old and has already taken its place as a definite activity of our high school. From the 110 members of the combined glee clubs are selected the highly esteemed choir members. On specified days during the entire school year they have faithfully practiced and rehearsed, and it is because of this that the concerts given were such successes. The choir as an organization this year has appeared in a fall music festival, a concert, and an operetta, "The Belle of Barcelona". In addition to this it has given several concerts at local churches.

It appears regularly as a part of the Baccalaureate services and makes its last appearance of the year at the commencement exercises.

With the proceeds of the concerts given last year and with the help of the good and appreciative people of Lawrenceburg, it has now a very well rounded library of musical interpretations; and under the able directorship of Mr. Ratliff it has gone far.

The choir is composed of sixteen seniors, eleven juniors, thirteen sophomores, and ten freshmen.

BAND

The flash of instruments, the beat of drums, and the passing review of uniforms fill the hearts of all Lawrenceburg with pride as they observe the achievements made in three years by the L. C. H. S. Tiger Band.

The band made its debut this year November 9, 1940, in its third annual concert featuring Rev. Martin as guest soloist.

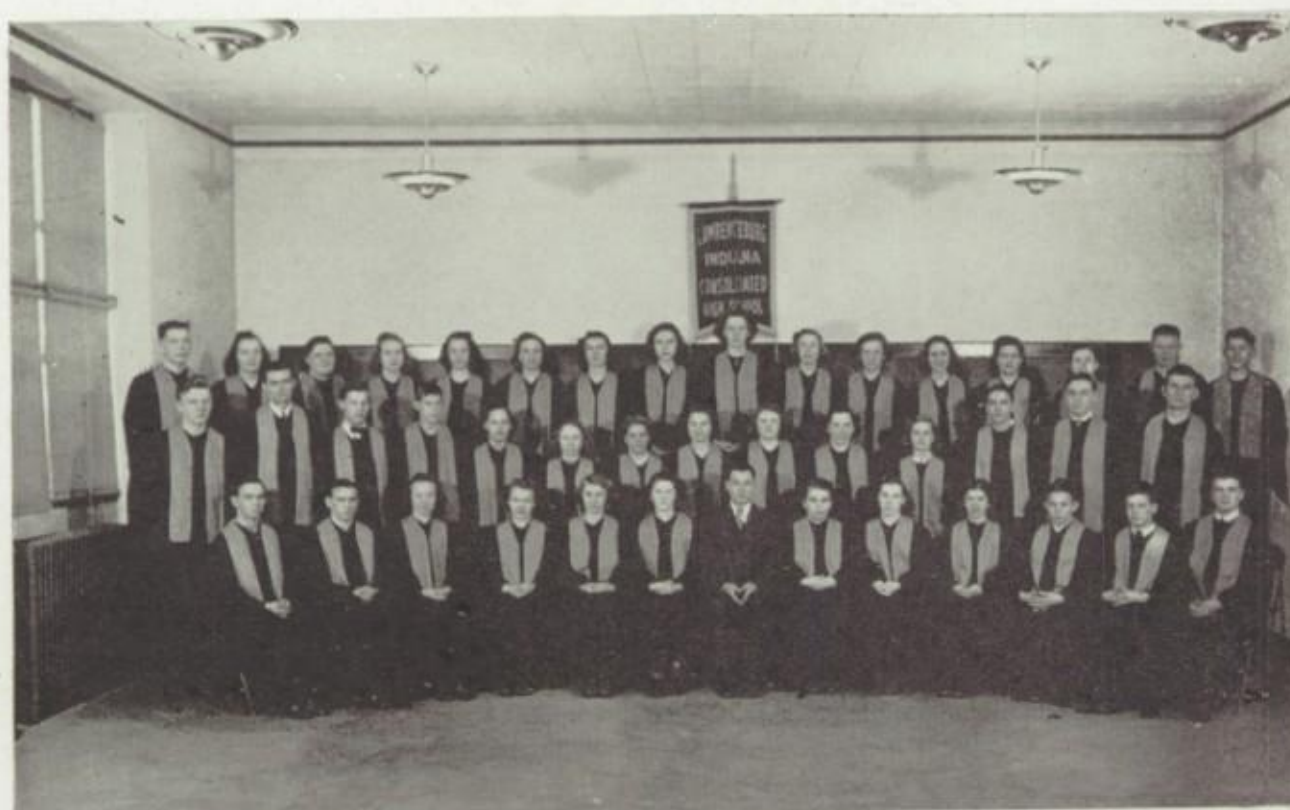

In December plans were made for the band to attend home and out-of-town games to "boost the team" and add to the spirit of sportsmanship.

In January the Band Parents' Club was organized to assist the director, Mr. Ratliff, in planning for various improvements for the members. Their first task was the presentation of sweaters and letters.

The first band tournaments to be held in this part of the country were given at Lawrenceburg, March 29, and at Aurora, April 1, 1940. Both concerts were well presented and attended.

In the last concert of the year, each of the nine senior members of the band gave a solo, which demonstrated their individual achievements. These are Edward and Ernest Hartwell, Ruth Anne Lowe, Jean Schnebelt, Robert Keller, Mary Rodenberg, Gloria Johnson, Mary Ann Nowlin, and Margaret Roush.

L'ALLIANCE FRANCAISE

"Pour apprendre les coutumes francaises et la langue" is the purpose for which the French Club was organized. The aim of the club primarily is to study the cultural background, customs, and life of the people, and to encourage French conversation among its members.

The monthly meetings are devoted partially to the educational development of the members and partially to social enjoyment. In following this dual plan the members have taken turns in giving reports about the French people and their interests. One report of special note was "Vocational Opportunities for Foreign Language Students." Before adjourning light refreshments were served. Based upon the attitude of its members and the record attendance at each meeting, it has undoubtedly proved a great success.

The high light of the social side of the club was "Le Grand Banquet", closing function of the school year. The committee prepared a delectable French menu while the more artistically inclined designed French menu cards, bearing the fleur-de-lis (club crest).

Miss O'Shaughnessy, sponsor, claims that credit for the success of the L'Alliance Francaise is due solely to each member of the organization. The members, having cooperated with their officers, President Carl Evert and Secretary Margie Kreinhop, are responsible for keeping alive the interest and activity of the group.

LATIN CLUB

The first meeting of the Latin Club was held in September; the officers elected were Celeste Knue, senior consul; Earl Kittle, junior consul; Gloria Johnson, quaestor; and Nathalie Warneford, scriba. Everyone whole-heartedly joined in efforts to make this year one of the most outstanding in the history of its organization.

During the entire year the members proved themselves to be willing workers who were always ready to cooperate in any possible way with the officers to make the club one of the most interesting and most valued of the many activities of the school.

Although we all remembered the old adage, "Never change horses in the middle of the stream", Miss Elliott was forced to resign because of ill health at the beginning of the second semester. Miss Margaret Covert took over the responsibilities as sponsor.

Under Miss Covert's guidance a few changes were made in the constitution of the club; and the name, which was formerly the S. E. Q. P., was changed to the S. E. P. Q.

The delight of the year was the banquet held annually on the feast of Rosaria, the day set aside for the honoring of the Roman dead.

N. Y. A.

The National Youth Administration, a branch of the Works Progress Administration, was organized five years ago, in order that assistance be given those students who wish to continue their schooling but who need financial aid to do so.

The fundamental purpose of the N. Y. A. is to give each boy and girl, who so desires, an equal opportunity to avail himself of whatever educational facilities are immediately available.

The students who participate in this organization perform a variety of tasks which are distributed among the various departments in the school.

The N. Y. A. gives the student a chance to earn along with the opportunity to benefit himself by his experience. A sense of responsibility and of confidence is created by it and a student must in some cases rely on his own initiative.

Practically all the work in the N. Y. A. program is done by the students after school hours. A time limit of thirty hours a month is placed on them and no work can be done after they have filled their quota. The payments for this work are sent by check directly to the student from the United States Treasury.

G. A. A.

When October 1 rolled around last fall, activities of the Girls Athletic Association, supervised by Miss Katherine Price, were well under way. The season was begun with a series of kickball sessions. When "Old Man Winter" began to creep around L. C. H. S., the girls retreated to indoor quarters and engaged in that favorite Indiana sport, basketball. Six teams were chosen to keep that old hardwood hot. After many hard fought games the Blue team came out victorious. Winter activities wound up with volleyball, a ping pong tournament, and efficiency tests. During the spring months the girls played softball, and executed major feats in the annual track meet.

Since more activities were offered this year, the amount of points given for each was reduced. As a result the girls had an opportunity to participate in more events; however, they had to meet higher standards in order to win an award.

Besides its success in athletics G. A. A. proved itself very capable in the business field. With the profits made on its business ventures—candy sales, a skating party, and a bake sale—bows and arrows were purchased to begin archery in L. C. H. S. G. A. A. also treated itself to a party as a triumphant conclusion to one of its most successful years in the history of L. C. H. S.

OPERA CLUB

The Opera Club, under the leadership of Miss Kirkpatrick, is a unique organization for it affords pupils an opportunity to talk and talk—unhindered. The number of participants varies—attendance depending somewhat upon the opera to be debated and the mood of the students.

The purpose of this club is to study and appreciate finer music. It generally meets several days before an opera is to be given from the Metropolitan Opera House and the members discuss the opera, the stars, and listen to recordings. Operas are torn into shreds. Opinions and counter-opinions flow freely.

Some of the favorite recordings which they listened to were "Ah, Forse'e' lui" the Death Scene from "La Traviata", Quartette from "Rigoletto", and Sextette from "Lucia".

The operas that were discussed during the year were "Manon" by Massenet, "Tristan and Isolde", "Meistersinger", "Lohengrin" and "Tannhauser" by Wagner, "La Traviata" by Verdi, "Lackme" by Delibes, and "Boris Godounov" by Mousorgsky.

The Opera Club members saw the Puppet Opera, "Aida" at Pogue's in Cincinnati.

All who have been privileged to participate in these meetings emerge with a wholesome knowledge of operas and a better understanding of finer music.

STAMP CLUB

A postage stamp decided the course of the present Panama Canal; another plunged two South American countries into war; a third stamp records the tale of the bloodiest revolution Hungary has ever seen—and now thirty-five new issues tell the dramatic epic of the progress of American men of letters, music, and science.

Realizing that there was a stirring and very interesting story behind every stamp, clubs sprang up everywhere and stamp collecting has proved to be a most fascinating hobby.

It was after the Christmas of 1939 that ten amateur philatelists banded together, under the leadership of Mr. Fabian to form the Stamp Club of L. C. H. S. Officers elected at the first meeting were Dorothy Vest, president; Mary Fox, vice-president; and Betty Sue Reichert, secretary-treasurer.

The club was organized for a twofold purpose; amusement and interest of its members. During the short time it has been in existence it has done much to achieve both objectives.

In bi-monthly meetings, held in the basement of the Lawrenceburg Public Library, its members have discussed, examined, and exchanged stamps. Perhaps there is no better way of learning history and geography while at play than by collecting stamps.

CAMERA CLUB

The Camera Club first organized in Lawrenceburg High School in 1935 under the direction of Mr. H. P. Harrison is one of the extra-curricular activities under the supervision of the same sponsor.

Just Cameras! That is the prerequisite. The activity itself provides instruction along all lines of picture making—the exposures, developing, printing, enlarging, and tinting.

Photography is not a satisfactory hobby in itself, but is a natural ally of nearly all other avocations—swimming, canoeing, fishing, hunting, hiking, and many other forms of athletics. Photography brings back the memory of many happy moments, and it is through this amusing and interesting pastime that a permanent record of interests may be acquired.

The least that can be said is that it provides a worthy use of leisure time, one of the seven objectives of education. The aim of the Club is to foster an interest in photography as a hobby.

Aiding the sponsor in directing the activities of the group are Margaret Schneider, president; Robert Cook, vice-president; and Jimmy Jacobs, secretary-treasurer.

PHI-BI-CHEMI CLUB

The Phi-Bi-Chemi Club, the science club of our high school, is sponsored by Mr. H. P. Harrison, who first organized this club in 1930. The officers elected for the year were Jack Hannan, president; Russell Benning, vice president; Frances Cornelius, secretary and treasurer.

The Phi-Bi-Chemi Club strives to provide a means of study of the modern advances in the field of science. It is a social as well as an educational opportunity for those students interested in the sciences, and a means for those especially interested to keep informed regarding the most recent discoveries and scientific developments. During the course of the past year the club members have enjoyed numerous social activities.

The Phi-Bi-Chemi Club proudly boasts of being the only club to be affiliated with either a state or national organization. In this respect it has the dual honor of being affiliated with both the "Indiana Academy of Science" and "The American Institute of Science and Engineering Clubs."

HOBBY CLUB

A hobby—"An occupation or interest to which one gives his spare time for everybody"—is the slogan which the hobby club has successfully upheld for its third year. This group not only undertakes the developments of each member's special interest or talent, but also strives to instill a cooperative spirit in each member. This is achieved by the members working for the benefit of their school in the advertisement of games, dances, tournaments, musicals, plays, and other school affairs. Besides the making of posters, the members assist various committees in making decorations for class dances and parties. As is customary the Hobby Club was once again asked to join forces with the junior class in designing the setting, invitations, and decorations for the Junior Prom.

Many of the school activities are indebted to the members of this club and its sponsor, Miss Celeste O'Shaughnessy, for the posters which they design and execute. A very useful and necessary organization, the Hobby Club, helps connect each activity with the unit that is our school—true cooperation.

4 - H CLUB

An organization new to L. C. H. S., the 4-H Club, got off to a good start November 1, 1939. Its officers were elected and plans were laid for the future. Projects upon which to work throughout the summer were selected by each member. These projects—canning, baking, clothing, food preparation, or room improvement—will be finished and displayed in August at the Dearborn County Fair.

The club is under the supervision of Mrs. Zoller, the Adult Leader. She is aided by Junior Leaders, Myrtle Lyttle and Betty Walser, who render general services to the entire club.

The goal of the 4-H Club is to teach its members to appreciate the finer and more significant things of life, to use their hands, and to sing, and be happy. Its emblem, the four leaf clover, represents the four-fold development of the Head, Heart, Hands, and Health, and its motto is "To Make The Best Better."

For the summer months the club has planned trips to the Zoo, Clifty Falls State Park, and other places of interest. Summer meetings will take place at L. C. H. S. or at the homes of the members.

Although the 4-H Club is very young, it has shown much progress, and as school closes it bears all the marks of being a huge success.

THE TIGER

On November 22, 1939, the first edition of a little but mighty newspaper was circulated through the populace of L. C. H. S. It was called the Tiger in honor of L. C. H. S.'s hardwood heroes. As a project the Advanced Stenography class published the Tiger monthly. The labor—writing of articles, stencil-cutting, running Tigers off the mimeograph machine, and chasing them through the halls of L. C. H. S.—which went into the making of the Tiger was done entirely by this class.

The most interesting feature of the Tiger and one which puzzled and irritated most students and practically all teachers, was its last page entitled "The Tiger Tells????". The Tiger told all in shorthand. For this reason nobody was surprised to see some student or teacher racing through the halls nervously running his hands through his hair asking this one and that one if he could read shorthand with a "Mind you, this is all confidential".

Cub reporters from other classes of the Commercial Department kept the Tiger informed on scoop news in their respective classes.

SENIOR CLASS PLAY

On May 17, the Senior class presented "Spring Fever", a gay farce of college life in three acts.

The story takes place the day before Commencement at Mrs. Spangler's rooming-house. Howard Brant, a senior, fails to hand a term paper in on time and is told he will not be graduated. To add to his despair, his aunt who has financed his way through college arrives unexpectedly for graduation. In the meantime, his heart-interest Anne Purcell, who has failed to get reservations at a hotel for her millionaire parents, persuades Howard to put her father in his room for the night. When Mr. Purcell arrives, Vic Lewis, an art student, thinks he is a model who is to pose for him. The agency had called Vic and told him the man didn't want to pose, so when Mr. Purcell resists them, Vic and Ed Burns, another roomer, gag and tie him to a hatrack. At every quiet interval in the story, Ed Burns, who is trying to find a substitute for dynamite, frightens everyone with his explosions.

But, of course, everything ends happily. Mr. Purcell forgives the boys for the insult forced upon him, helps Howard graduate, and even promises to accept him as a son-in-law.

11/3/39

The Tigers opened their season with a win over the Osgood Cowboys, which didn't seem to be very impressive even though the score ended with Lawrenceburg out in front by 9 points. With the local boys leading all the way, the score stood 16 to 4 at the half, and 27 to 18 when the gun sounded.

11/10/39

For the second game the Tigers journeyed to North Vernon to try to break the jinx which the Panthers had held over them for 13 years. Our small fast-breaking team put up a good fight against the big boys of North Vernon, but the Panthers finally took the ball game in a double overtime tussle. North Vernon held a slight margin on the score throughout most of the game. The game ended in a tie 25-25. The double overtime brought the Panthers out on top by a two point lead, making the final score 27-25.

11/17/39

Due to the fact that Vevay's new gym was not completed, this game scheduled for the Warriors' Camp was played in the Tigers' Den, with the Tigers proving their superiority over the Warriors, thus keeping in their possession the coveted horse-shoe which is presented to the winner of every game between Vevay and Lawrenceburg.

11/24/39

Harold Newgent, former coach of the Tiger squad, brought the Greensburg Pirates to our floor for defeat. At the quarter Greensburg led by a score of 7-4, but the Tigers came back and led the game at the half 15-12. The third quarter proved decisively to be the Tigers' round when it ended with an eleven point lead of 32 to 21. In the last quarter the Pirates made a desperate last stand, but when the gun sounded, it was the Tigers on top.

11/29/39

One of the high lights of the season came with the fifth game, for Lawrenceburg was invaded by their chief rivals, the Aurora Red Devils. It was the Tigers' night to step out, and they led the fight all the way by winning with a 14 point margin, the score being 43 to 29.

12/1/39

Our boys visited the Bulldogs' Kennel for Batesville's first game of the season and took the opportunity of trouncing them by a score of 39-21. The game proved to be a one sided affair. At the quarters the scores read 9 to 4, 19 to 9, 31 to 14, and 39 to 21 for the game.

12/8/39

For the seventh game the Tigers played hosts to the Madison Cubs, and treated them in royal fashion for Madison went home with the laurel wreath. The game started out as if Lawrenceburg were going to add another game to their win column for at the quarter the score stood at 13 to 3 in favor of the Tigers. At the half, however, the lead was cut in half with a score of 19 to 14. At the end of the third quarter it was all even at 23 for both, but the game ended 32 to 28 with Madison on the long end.

12/15/39

The Tigers again broke into the winning division by beating the Brookville Greyhounds to the merry tune of 45 to 28. This was another game in which the Tigers held the edge throughout. Brookville had a large team but the fast breaking Tigers did the trick as a result of their speed and stamina.

12/19/39

The ninth game brought North Vernon out of their Panthers' Den and into the Tigers' Lair for a game which still proved that North Vernon held a jinx over Lawrenceburg, for they won with a one point margin. This game proved to be a heart-breaker for the Tigers for at the end of the first quarter they were out in front by a score of 7 to 1, but in the second quarter the margin dwindled to only 3 points with the score at 11 to 8. It was in the third quarter that Lawrenceburg gave up their slim lead to North Vernon when that quarter ended 18 to 17. The final quarter was nip and tuck all the way, but the Panthers managed to get the last one through the hoop for a 24 to 23 victory.

12/22/39

Pitting their strength against our fighting Tigers, the highly rated Kentucky quintet came from Newport for a game in which Lawrenceburg led the score the entire time. The respective quarterly scores were: 14 to 7, 25 to 13, 33 to 28, and 46 to 36.

12/29/39

The Tigers journeyed to Rushville during their Christmas vacation only to fold up due to exhaustion in the second half of the game and lose by a score of 51 to 35. During the first quarter Lawrenceburg outplayed the mighty Rushville quintet and led them 14 to 8. The second quarter brought a change, however, and it ended 24 to 23 favor of the Tigers. It was the last half when the Lions' size began to take its toll, and the score changed from the small, fast-breaking Tigers' favor to the Lions. The third quarter ended 36 to 29.

INVITATIONAL TOURNEY

1/1/40

New Years took the boys to North Vernon to compete in the Invitational Tournament. The three other teams were Aurora, Madison, and North Vernon. In the first game our Tigers upset the jinx and the dope bucket by winning over North Vernon, 33 to 28. The second game between Aurora and Madison was a hard fought contest with Madison emerging victorious, 33 to 27.

As a result of the afternoon game Lawrenceburg and the Madison Cubs climaxed the day by tangling in the final game. This game was the Tigers all the way. Madison was a hard fighting quintet but they could not keep the Tigers from leading all the way and winning 28 to 19.

1/5/40

For the first scheduled game after New Years the Tigers went to Milan to bring home the Indians' scalps. The Tiger substitutes played almost the entire game and had very little trouble keeping out in front. The final score read 32 to 23 in Lawrenceburg's favor.

1/12/40

It was finally time for Lawrenceburg to journey to Vevay and to play in their new gym. The game started out looking very bad for the Tigers with a score of 10 to 7 at the quarter in favor of the Warriors. At the half, however, our boys had the lead well in hand at 18 to 12. The third quarter cut the margin down to a 4 point lead at 26 to 22, but in the last quarter the Tigers put on a little more steam and finished in fine fashion by defeating Vevay 34 to 24.

1/19/40

The Batesville Bulldogs came barking into town and stole the beef from under the Tigers' nose. This game was the one in which our boys couldn't seem to play together. The ragged affair stood in Batesville's favor throughout.

1/26/40

The two rivals were again brought together in this game, for the Tigers coasted down to Aurora and took command of the Red Devils by leading the scoring throughout most of the game. Aurora put up a gallant fight until the middle of the third quarter when they blew up. The quarter scores were 9 to 5, 24 to 11, 34 to 20, and 40 to 28.

2/2/40

Brookville came to town to seek revenge for the dubbing they had received earlier in the season at the hands of the Tigers. The game proved to be a one-sided affair for the Tigers after the first quarter. The end of the half gave our boys a 20 to 12 lead which was never to be whittled down. The third quarter ended 32 to 24; and when the gun sounded, the Tigers were ahead of the Greyhounds 42 to 32.

2/9/40

The Tigers journeyed to Liberty for the annual tussle between the two teams. The game looked very much like it would be Liberty's all the way for they held the lead until the fourth quarter. The scores were 14 to 7, 21 to 14, and 31 to 28 in Liberty's favor for the first three quarters. The Tiger squad really started clicking in the last quarter, though, and came through in fine fashion to clinch the game with a 38 to 32 score.

2/16/40

Lawrenceburg's last home game brought the Hagerstown, Ky. Tigers down to our Tigers' Den for a thriller which left Lawrenceburg on the short end by four points. Hagerstown held the lead at the end of each quarter, the closest being 20 to 19 at the end of the half. The third quarter was Hagerstown's all the way. In the last quarter our Tigers put on a mighty drive, but were not able to get close enough. When the gun sounded the end of the game, the Hagerstown Tigers were out in front 38 to 34.

2/23/40

For the final game of the season, the Tigers went down the river to visit the Madison Cubs. Madison had command all the way.

Thus ended the scheduled season of the Tigers, who played some of the best basketball ever seen put out by a Lawrenceburg quintet. Their season's record was twelve games won and seven games lost.

SECOND TEAM

The L. C. H. S. second team of 1939-40 was very successful. The majority of the players were underclassmen, but they proved their merits by turning in 12 victories and being defeated only 6 times.

SOFTBALL

The sports program for the year 1939-40 was started with the organization of the softball team. The opener was played against Aurora at Lawrenceburg and in order to start the season right the Tigers "rubbed out" the Red Devils by a score of 6-4.

Next came two games with the Vevay Warriors and the Tigers won both games. The first encounter ended 22-21 in favor of the Tigers. The second game score was 12-8 with the Tigers on top.

Two games were played with Batesville. The Tigers won both games. When they traveled, they won 4-5, and at home they repeated to the tune of 9-6.

Aurora, looking for revenge, played host next. They were disappointed, because the Tigers hit again and came out on top by the score of 10-1.

The Softball Sectional was held at Vevay this year, and the Tigers brought home the "bacon". "Jeep" Hill's two hitter, and Edward Hartwell's no-hitter enabled Lawrenceburg to defeat Madison 2-3 and North Vernon 14-1. These wins gave the Tigers a chance to go to Salem to participate in the Regional.

The Regional drawings threw the Tigers in the ring with Salem. It was a close game; they played their best; but the Tigers ended their season by losing to Salem 6-4.

INTRAMURAL BOARD

The motto of the Intramural Board is "There is a sport for every boy, and a boy for every sport". Under the supervision of David Batthauer, the Intramural Board, which arranges interclass sports and activities, started another series of competitive matches among the four classes. This board was organized to enable the average student, who is not good enough to make the varsity, to participate in the major sports. The members of the Board were elected by their respective classes and were responsible for the arrangement of the program and schedule.

The members of this year's board were:

Seniors:	Edward Hartwell Ernest Hartwell
Juniors:	Jerry Seitz George Terrill
Sophomores:	Jack Nowlin George Horn
Freshmen:	John McWethy Bruce Townsend

Softball, basketball, soccer, football, and track programs were scheduled. Boxing and wrestling, two new sports, were also given their start in the intramural program. The officials at the games were either members of the Board or other impartial students. In past years this activity has had a desirable effect both physically and mentally on the boys who have engaged in the program it offers.

INTRAMURAL ASSOCIATION

Through learning and abiding by the rules of this association these boys gradually adopt themselves to the idea that life is not all taking, and benefit greatly by learning to both give and take early in life. They learn in their associations with fellow students to detect and correct physical and mental defects of their own, and to overlook partly those of others. The atmosphere of comradeship, competition, and fair play tends to start them in the right direction when they complete their school training.

No sweaters are awarded in this activity, but the personal conquests over fear and hate which they achieve are in themselves enough reward. The only rules really enforced are "Stay clean, play fair, and use common sense."

Though these boys travel far they will long remember the benefits they received in this association. Learning Truth, and Youth march hand in hand, ever onward, ever upward.

BASEBALL TEAM

The baseball team reported in fine shape for their pre-season practice, with all the veterans back but two, who were lost due to graduation. The team looked well balanced and was strongly fortified at each position. Other than the regulars, there was a string of reinforcements ready on the bench at all times to go in and help the cause.

The first two games were played with Taylor High of North Bend, Ohio. In the first game the boys sailed into an easy victory behind Albright's pitching performance. The score was 9 to 5. The second game proved to be one for the other team. Taylor High won 10 to 4, while beating our boys playing behind "Jeep" Hill, who pitched.

The team as a whole looked mighty fine,
With the Hartwells, Dennis, and Seitz in the nine.
While Albright and Hill held firm on their spot,
Oberting, Kittle, and Cook helped a lot.

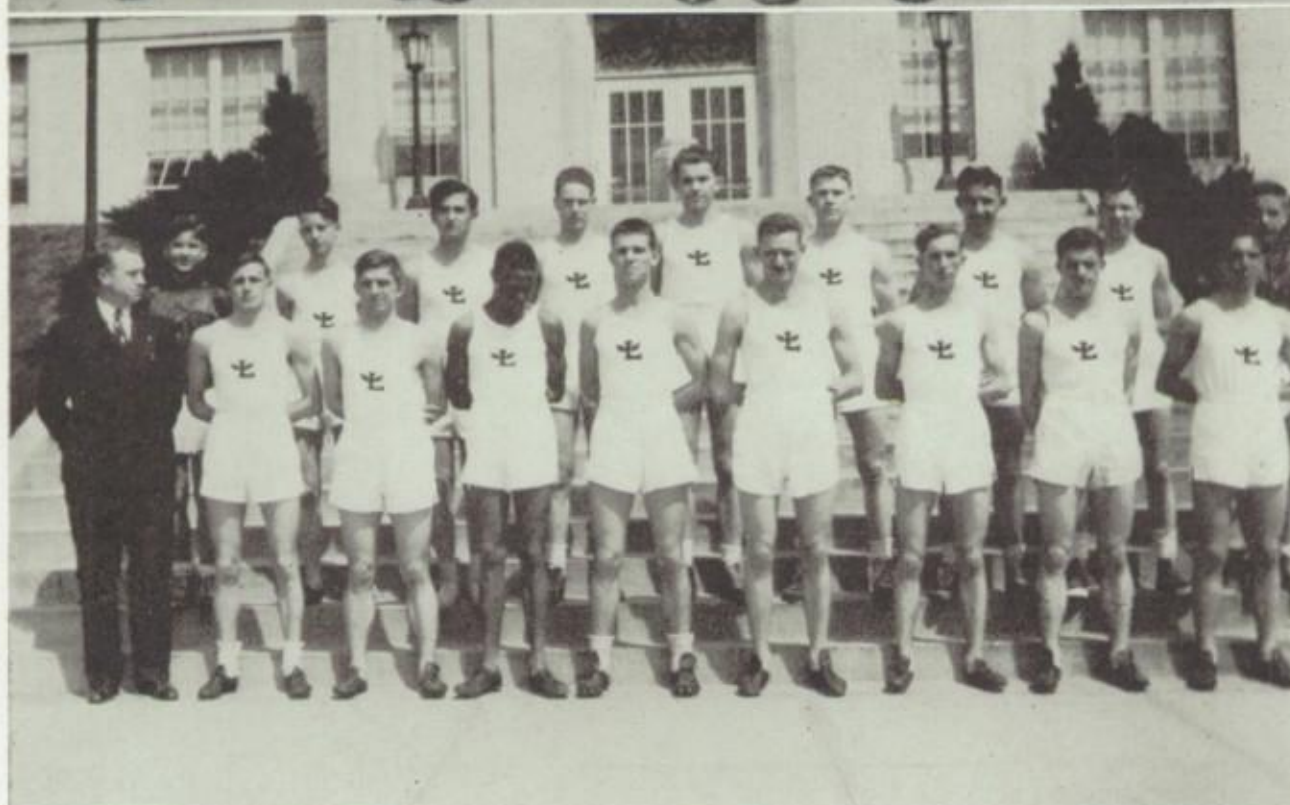

TRACK

When the call for track candidates was first announced many promising men volunteered. The team as a whole was well balanced, and well coached in the basic principles of the cinder path. The following men were in the various events: the mile—Jeffries, Miller; hurdles—Larry Steigerwald, Cook, Livingston; 220—James Steigerwald; broad jump—Kittle; 440—Keller; half mile—Ware, Gardewing, Kirsch, Foley, Macy; pole vault—Schnetzer; shot put—Wells, Smith; 100—James Steigerwald. The relay teams will be composed of boys from the various events mentioned above.

Just Old-Fashioned!

Not the greatest . . . not the largest . . . but an organization devoted to a principle of excellence. For more than three decades hundreds of yearbook editors and business managers have placed their faith in our ability to help them design, publish, and finance unusual yearbooks . . . Just old-fashioned in principle, but with a very definite flare for the best in modern publication trends!
